

Club Descriptions and Teacher Contact Information

Basketball Club: Students will participate in fun basketball skills and drills designed to encourage physical, social, and cognitive development. **Contact: SarahBo.Danzell@beaufort.k12.sc.us**

Robotics: Students will use Lego blocks to build up their own robots and learn how to code to move their robots to designated spots. Students will also learn how to cooperate with team members with coding strategies. **Contact: Karen.Perdue@beaufort.k12.sc.us**

World Tour: Students will embark on an 8-week tour of the globe, spanning each continent and the oceans, without leaving their seats! Students will learn about other cultures through video, song, games, activities, crafts, and more! Each week, students will have their passports stamped and bring home fun facts about where they've visited! **Contact: Denise.Bell@beaufort.k12.sc.us**

Board Games and Card Games Club: Students will be "Board" together! Students will participate in competitive and cooperative board games and card games. Board games offer students the chance to have fun, while also learning how to be strategic. **Contact: Jennie.D'angelo@beaufort.k12.sc.us**

Chess Club: Students will learn the basics of chess as they are taught piece movement and basic strategy. Beginners to advanced players are welcome. **Contact: Steve.Bouvier@beaufort.k12.sc.us**

Color, Color, Color Your Stress Away: Students will choose from an array of cool and intricate designs to color while listening to relaxing music with friends! Just bring your colorful brain with you to show off your amazing coloring skills! **Contact: Kathy.Perry@beaufort.k12.sc.us**

Kangaroo Math Club: Students will improve their math skills and learn new strategies for solving word and logic problems, which will help them with critical thinking and gaining confidence in the classroom. They will be prepared for the Kangaroo Math Contest. **Contact: Jun.Yin@beaufort.k12.sc.us**

Chinese Culture Club: Students will discover some aspects of the Chinese culture by learning the basics of Chinese dancing, Chinese painting, and Tai Chi. **Contact: Mei.Chen@beaufort.k12.sc.us**

Gardening Club: Students will learn about gardening while planting vegetables, herbs, and flowers in the school garden. Each student will take a plant home. Students in this club will spend time outdoors daily and may get dirty or even wet. We will dig, plant, mulch, water, and learn about plants.
